Glenn,

I'll be glad to go but I have to find out what day I have off. If you need anything ask me about it and I shall be glad to oblige.

I shall never forget the fun we had in school at lunch and at the candy counter. I wish Betty is thinking what a baby she is now. I hope you and all your kiddies are well. Dad is fine. Mother is fine. Jessie would like to be remembered to someone. Type would like to be remembered to someone. Don't forget and write me during the summer.

BOOKS *have Personality too*

There is a charming quality about a skillfully executed book that stands out as conspicuously as striking personality in a man or woman. Hard to define, yet quickly sensed.

In books this quality is a matter of superb craftsmanship, of painstaking attention and care, of much perspiration as well as inspiration.

We are proud of our reputation as printers of fine books . . . of which this Annual is a typical example.
